

“Northern Montana Health Care

Foundation exists to raise and manage funds that bring important medical equipment, services, and health building programs for our communities along the Hi-Line.

Christen Obresley
Executive Director

The amazing accomplishment in 2008 of building the Hi-Line Sletten Cancer Center is just one example of the generosity of the people of Havre and our Hi-Line communities who donated over \$1.2 million to the Capital Campaign, the most ambitious campaign ever conducted.

Our Foundation Trustees work hand-in-hand with Northern Montana Health Care, Northern Montana Care Center and Northern Montana Hospital to provide quality health care right here at home.” Christen Obresley, Executive Director, NMHC Foundation.

Space for Grace! The 2009/2010 designated project will be in partnership with the Greater Havre Ministerial Association and Northern Montana Health Care Foundation. **Space for Grace** is a dedicated non-denominational chapel which will be located in Northern Montana Care Center. It will be a place to worship, meditate and reflect, which is essential to residents and their families. Funds raised through July, 2010 will be dedicated to the project along with those raised at the 15th Annual Golf Tournament and 2009 Benefit Wine Gala.

Memorial Funds

Donors may specify a purpose for funds donated in memory or honor of a loved one. Or they may designate the funds be used where they are most needed. The Tree of Life, located in the third floor lobby of the Hospital, commemorates each donation of \$100 or more with an engraved leaf.

Past and ongoing projects

Hi-Line Sletten Cancer Center: Bringing cancer treatment closer to home! The Foundation's most ambitious fund-raising effort to date, the **Hi-Line Sletten Cancer Center's Capital Campaign raised \$1.2 million through the generous donations inspired by** three unique entities: the Foundation, Northern Montana Hospital, and the Sletten Cancer Institute.

Community Fitness Park: Caregivers, friends, and family members, may be seen flying kites in the Park with residents of the Northern Montana Care Center. \$157,000 raised added a softball diamond, 1.2 mile dog friendly walking path, a fabulous jungle gym for kids, a soccer practice field, restrooms, and acres of rich green grass for family picnics and relaxation!
